

We passed the test.

FOUNTAINS

of FRANKLIN

At the Fountains of Franklin, we limited visitors before limited visitation was mandated; we quarantined before quarantines were required; we deep cleaned before deep cleaning was recommended. **Before the state’s request, we initiated the first facility test.** Now, we celebrate the successful completion of testing residents and staff for the coronavirus.

With new ways to communicate, new activities and new clinical operations, Fountains of Franklin Senior Living Community celebrates a future of safe and secure residents, healthy lifestyles and connected community.
